Dear Parents/Carers,

RE: Parent View

As part of our self-evaluation process, we very much value working in partnership with parents and carers to help us continually enhance the quality of the education that we provide to the children. To help us evaluate our effectiveness we would like your views.

Attached is a hard copy of the questions Ofsted ask parents. Please either fill this in and return it to the school by or record your views on parent view or both.

Parent View is an on-line questionnaire and the main source for gathering parents' and carers' views about Old Bexley CE Primary School when it is inspected by OFSTED.

The link to setting up a login to review Old Bexley CE Primary can be found at:  
[www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk)

You will be required to enter an email address and a password before completing the questionnaire to ensure the security of the website. If you fill in the questionnaire for Old Bexley CE Primary School more than once using the same email address in the same academic year, your previous entry will be overwritten.

All entries to Parent View are anonymous and the school will not have access to any information that can be used to identify a respondent. If there are parents/carers who hold different views about the school, each person is able to complete the questionnaire but must use a different email address.

Parent View asks the same questions that are attached to this letter.

The results of questionnaires that have been completed are published in real time and are available to the school, other parents/carers and the general public. At the end of the academic year, the results for Old Bexley School will be frozen and a new set of results will begin. This allows us to make comparisons between the results from one year to another.

I very much appreciate and value the time that you give up to feedback your views about Old Bexley School through the completion of the questionnaire on Parent View.

Yours Sincerely,

Ms. K.A.Lindridge  
Head of School  
Old Bexley CE Primary School
