## **E-Safety Pupil Agreement**

I agree to follow the E-Safety guidance at school and at home.

This guidance is to:

- Understand and know what I should be using on the Internet and be aware of what is appropriate for my age.
- Ask an adult before I use devices such as iPads and mobile phones.
- Understand and know that to use most social media and apps I need to be 13 years old or above and if I am younger I should not be using it. This includes Facebook, WhatsApp, Snapchat and Instagram.
- To check the age restriction for games I play on a games console and remember not to talk to people on them.
- Use Safe Search and ask an adult if I need to use a different search engine.
- Understand and know what personal information is.
- Never share personal information with anyone online, even if they tell me they know me.
- Be kind to people online, just as I would if I was face-to-face with them.
- Share my E-Safety learning around my school and remind my peers both inside and outside school how to keep themselves safe online.
