Dear Parent/Carer

### APAT Maths YouTube Channel for KS1 and KS2

In recognition of the key role parents and carers play in supporting Maths at home, we are delighted to inform you that we have a new online video resource available to parents and carers designed to support understanding of how Maths is taught across KS1 & KS2, within your child's class and across our schools within the APAT Trust.

Created by the APAT Maths Curriculum team to support our school calculation policy, each year group now has Maths teaching videos available to view on our secure Amadeus YouTube channel:

<https://www.youtube.com/channel/UCArtBh1Wkb09iIK-crISw4g>

Each short video breaks down the specific teaching for each topic, using clear and easily understood strategies for learning which are consistent with the approach used by your child's class teacher.

The Amadeus YouTube channel can be accessed via the school's website under Our Learning/Curriculum

Please take the time to view the content so you can be kept up to date on your child's learning in school.

Kind regards

Mrs V Anning  
*St. Pauls Cray*

Miss H Collins  
*Hillsgrove*

Mrs K Sukonik  
*St. Paulinus*

Mr J Allen
