### **President's report**

Julie welcomed old and new faces to the AGM and thanked last year's committee for all their hard work, as well as the school staff for their help. The PTA had a successful year, with a number of events including a new event, the school disco for which tickets sold out in a record time. The PTA look forward to a full schedule again for this academic year, noting in particular the Christmas fair which will take place on Saturday 2<sup>nd</sup> December.

Funds raised have allowed the PTA to make a contribution to school trips for all children in the school, pay for playground equipment, Reception equipment, the historical time-line display in the school, sensory room equipment, Coronation celebrations, news crew contribution, pond clearing and leavers gift.

Julie noted that last year we benefited from match funding offered by a parent's employer and encouraged everyone to consider volunteer days or match funding opportunities their employer might offer that could support fundraising and benefit the school.

Julie finished by thanking all of the school community members who have supported PTA events. The PTA are grateful and hope parents, carers and all those involved with the school will continue to support in any way they can.
