Dear Parent/Carer

It was lovely to welcome everybody back to school on Monday. There were lots of smiley faces ready to return and start a brand-new school year. The new reception and nursery children have settled in well and we welcome them to the Old Bexley family.

We are having a big push in school this year on everyone using good manners in and around the school. I spoke to all of the children about this in Collective Worship at the beginning of week and how important it is that everyone uses good manners all the time.

Please can you support the school by encouraging the children to do this at home as well. Children should not have to be prompted to say please and thank you or excuse me, it should come automatically. Good manners also ensure that they develop into polite and courteous young adults.

Thank you for your support with this.

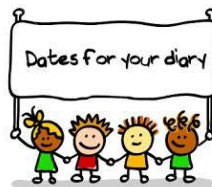

We have had the lovely news that Mrs Love had her baby boy at the end of July and Miss Alabaster had her baby boy at the beginning of this week. Both mum and babies are doing well.

There is already quite a lot of clothing being left around the school and playgrounds. The children have been reminded to make sure they keep their belongings with them and to look after them.

The parent pop in session will be on **Wednesday 17th September 3.30pm – 4.30pm**. This is an opportunity to come and see your child's classroom and meet their teacher. It is not a formal meeting but just a chance for you to say hello. The formal parent meetings will be on **Thursday 9th October** and **Wednesday 15th October**.
