UNIFORM POLICY

1. Why do we have a school uniform?

At Old Bexley CE Primary, we are very proud of our school uniform. It is important that children wear the correct uniform to school as it gives a sense of belonging and identity, fosters school spirit and makes children feel they fit in.

By creating a common identity amongst all pupils, regardless of background, a school uniform can act as a social leveller. It can also reduce peer pressure to wear the latest fashions or other expensive clothes.

Complying with the school uniform is one of the minimum behaviours set out in our expectations when parents enrol their children at Old Bexley. Please ensure ALL uniform items are clearly marked with your child's name.

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on their protected characteristics. To avoid discrimination, our school will:

- avoid listing uniform items based on gender, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender;
- make sure that our uniform costs the same for all pupils;
- allow all pupils to have long hair (though we reserve the right to ask for this to be tied back);
- allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable;
- allow pupils to request changes to swimwear for religious reasons;
- allow pupils to wear headscarves and other religious or cultural symbols;
- allow for adaptations to our policy on the grounds of equality by asking parents to get in touch with Mrs Ivil, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

In line with statutory [guidance](#) from the Department for Education on the cost of school uniform, we will ensure our uniform is affordable. When selecting our supplier, value for money is taken into account. We have also ensured that:

- our uniform has a limited number of logo'd items thereby enabling parents to shop around for a low price on items such as skirts or trousers;
- we do not have different uniform requirements for different Key Stages, houses or year groups;
- we have kept our PE kit as either school branded or plain;
- any proposed changes to the school's uniform will always be discussed first with the School Council, then the Parent Forum, before going to the Governing Body for approval.

If parents have a concern regarding the cost of the uniform, they are asked to speak to the Head Teacher. Disputes about the cost of the school uniform will be resolved locally and dealt with in accordance with the Trust's complaints policy. The school will work closely with parents to arrive at a mutually acceptable outcome.

7. Uniform expectations

Pupils are expected to wear the correct uniform at all times, other than on specified non-uniform days.

Parents/carers are expected to make sure their child has the correct uniform and PE kit, and that every item is clean, clearly labelled with the child's name and in good condition.

Staff will monitor pupils to make sure they are wearing the correct uniform. They will give any pupils breaching the uniform policy the opportunity to comply, but will follow up with the Head Teacher if the situation does not improve.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with our school's Uniform Policy, the Head Teacher will take a mindful and considerate approach to resolve the situation.

8. Governors

The school's Governing Body will review this policy and make sure that it:

- is appropriate for our school's context
- is implemented fairly across the school
- takes into account the views of parents and pupils
- offers a uniform that is appropriate, practical and safe for all pupils
