## **OTHER – CORPORATE MATCHED FUNDING**

Again this year, our fundraising activities and events were boosted by the contributions raised by parents through corporate matched giving schemes. Our thanks go to those parents who were able to support us in this way.

There are hundreds of organisations throughout the UK that offer their employees the chance to boost their individual fundraising efforts by 'matching' the money they raise at a designated event such as annual fairs for their chosen charity. Some organisations will match fund on a £ for £ basis, others will stipulate what they are prepared to give such as an upper limit. Some companies will also pledge time and resources instead of money, so enabling their employees to support a cause during their working week.

If your spouse, friend or relative works for a company that offers one of these schemes, please could you make yourself known to the PTA. It is not complicated and will cost the individual nothing extra other than some time to talk to their employer.

We have a list of known companies that offer matched funding:
