

What do our Year 6 parent's say about the school

July 2026

At Old Bexley Church of England Primary School, we believe our school is more than just a place of education. Read what our recent Year 6 parents have to say about their families' journeys with us.

A Nurturing and Kind Environment

"Old Bexley is such a kind and nurturing school. The children are encouraged to grow and thrive with the school's key value of kindness at the heart of all their learning. All the additional activities, from school council to choir, provide the children with amazing opportunities to grow in confidence. Children and parents are welcomed warmly into the Old Bexley family and there is a lovely sense of community." – **Year 6 Parent**

"My daughter has attended Old Bexley since reception and all the way through to year 6. I can honestly say that this is an outstanding school, with wonderful teachers who ensure the children who attend are happy, safe, and can thrive. My daughter has made lifelong friendships which I am so pleased about. She has wonderful memories of her time at Old Bexley and I would highly recommend anyone who wants to send their child to an excellent school to consider Old Bexley." – **Year 6 Parent**

Dedicated SEND & Pastoral Support

"We have been so pleased with our son's experience at Old Bexley. As a child with SEND, it was incredibly important for us to find a school where he would be understood, supported, and encouraged to thrive. The staff have been truly amazing kind, patient, caring, and dedicated and they have made a tremendous difference to his development. Since joining Old Bexley, he has made massive progress in both his confidence and learning, and we will always be incredibly grateful for the support, encouragement, and care he has received. The school has created a warm, nurturing environment where children feel happy, safe, and valued, and it is clear that every member of staff genuinely wants each child to succeed. We couldn't have asked for a better start to our son's education, and we would wholeheartedly recommend Old Bexley to other families." – **Year 6 Parent**

"My daughter in Y6 had the best year in Old Bexley. Her teacher is a legend. She supported her with her special needs from day one and helped her to make considerable progress. My daughter got a lot of support from the SEN team too, specially Mrs Paddock always available to help. The headteacher comforted me when I was worried about my daughter. The admin team always so helpful (at some point I was emailing almost on a daily basis until things got better). Finally, the Leavers celebrations

were extraordinary. The whole school, the PTA and extremely committed parents made our experience an extremely positive one." – **Year 6 Parent**

A Foundation for the Whole Family

A Heartfelt Thank You to Old Bexley Church of England Primary School "As our son's time at Old Bexley Church of England Primary School comes to an end, I wanted to take a moment to express our gratitude for everything the school has given him and our family over the years. He joined the school in Reception and remained there until Year 6. During that time, he has grown, socially, academically and personally.

* **Community & Memories:** The school offers so much more than education. From Christmas celebrations, summer fairs and church services to orchestras, performances and wonderful field trips, there is a real richness to school life that creates lasting memories for the children and their families. * **Friendship:** One of the greatest gifts the school has given him is friendship. He has built a wonderful group of friends who have been such an important part of his childhood, creating memories and bonds that I know he will carry with him for years to come. * **Family Integration:** My husband and I moved to the area when our son was a baby, knowing very few people. Through the school, we found friendships, connections and a sense of belonging. It became the gateway to our integration into the local community and helped us put down roots in a place that now feels like home.

As our son moves on to his next chapter, he does so with confidence, resilience, curiosity and a strong sense of self-worth. Thank you to the teachers, staff, and wider school community for all that you have done for our son and for our family." – **Year 6 Parent**

"Old Bexley Primary School has been such a special place for our family. My eldest daughter has just finished her seven-year journey there, and I genuinely can't thank the staff enough for everything they have done to support, encourage and inspire her. Seeing all three of my daughters thrive at the school is a testament to the caring, dedicated and nurturing environment the staff create every day. From the teachers to the wider school team, everyone goes above and beyond to help each child reach their potential. We will always look back on our time at Old Bexley with wonderful memories and have nothing but positive things to say about the school and its incredible staff." – **Parent of three Old Bexley students**
